CHÂTEAU DE VASCŒUIL

Art and History Centre

A Norman chateau in a green environment.

At the edge of the Lyons forest, in the heart of the Andelle valley, the Château de Vascœuil (Historic Monument) is a typical example of **Norman architecture**: a fortified house with a military vocation in the 12th century, which became a rural residence in the 17th century and a writer's house in the 19th century.

Since 1970, Vascœuil has been a **Centre of Art and History** that presents important exhibitions of renowned artists every year, from Easter to All Saints' Day.

In the main courtyard, a remarkable 17th century red brick **dovecote** (Historic Monument) with its **original structure** and rotating ladder system.

In the gardens more than 60 sculptures by renowned artists and a museum.

The **English-style garden** and the **French-style garden**, restored according to its 1774 plan, invite you to take a walk along the Crevon River that runs through the estate.

Vascœuil presents a permanent collection of more than sixty sculptures by **major 20th century artists** such as Dali, Braque, Valti, F. Léger, Vasarely ...

Only museum dedicated to the famous **19th century French historian** who wrote a significant part of his work in his study, restored at the top of the castle tower.
